# AQUA FUN AT EC SWIM!

**Now you have** a safe and conducive place to send your children for swimming lessons that offers easy access from KL city and Klang Valley. EC Swim, located in Jalan Gasing, Petaling Jaya, operates by its motto – Safety & Quality. “The concept of EC Swim was a dream to create a whole new industry in swimming coaching, with a proven syllabus to teach swimmers from basic to advance levels of all ages,” says chief coach Bernard Yee.

With 15 years experience under his belt as a swimming instructor, Bernard takes pride in teaching effective swimming which the children can enjoy. “At the end of the day, it’s always very gratifying to see the kids happy,” he adds. To keep track of the individual student’s progress, a comprehensive recording system is used which allows instructors to effectively monitor progress at the early stage to set off a learning curve until a competency level is achieved. Responses from this teaching method have been an overwhelming success.

The instructors at EC Swim are hand picked from the industry’s finest, forming a team of passionate professionals. “EC Swim has recently installed a closed circuit television system (CCTV) within the pool area and car park. This system will enable staff members to monitor activities within the premises, especially the poolside.”

The 12-by-5 metre pool has a temperate control system for comfort and all seven instructors are qualified with Life Saving certificates. EC Swim has had a very successful start by introducing free trial lessons to swimmers. “This has helped students build their confidence.” Over 80 enrolments have been received so far on different coaching packages, namely eight to 24 lessons for children and eight to 16 lessons for adults. “Ideally it’s better for the swimmers to come twice a week so we can monitor their progress.”

*EC Swim is located at 71, Jalan Gasing, Section 9, Petaling Jaya, Selangor. For more information, call 03.7960 0539 or visit [www.ecswim.com](http://www.ecswim.com).*
